TRAILER NOTES:

Trailer Vin# has rusted away but the trailer tows good & is safe, no brakes, no lights, or tie downs we have always used a rope. We have never had any paper work on the trailer. Started paper work to Relicense the trailer but never finished

NOTES:

We need to get rid of the boat because I am selling my house & no were to store the boat, I was going to restore it when my parents gave it to me, but I do not have the time or the money
